

FutureCom™ Keystone Patch Panel 19", 1U, 24 Ports

High-grade steel

CORNING

The FutureCom™ patch panel is universally applicable for all 19" racks. This allows the free user-specific configuration of building and floor distributors. The panel has a conductive front and integrated earthing or grounding points as well as two grounding lashes at the rear of the panel.

Features

- Modular front, available in three colours
- Compatible with all 19" racks
- Quick mount feature for easy one-person installation
- Port numbering above and below ports
- Integrated cable strain relief
- Two standardised grounding lashes left and right
- Space above ports can be used for customised labelling
